

May 2023

Briard Family:

Our Briards have kept us comforted and loved, and now is our time to rejoice and repay them. With the aid of vaccines and face masks we look ahead to a great year of canine activities. The Club has a lot of work during the upcoming **two year** period, including National Specialties and a Rass. We have the Briard Store, the Dew Claw and two Trusts all of which need volunteers.

The Club needs officers and directors that are willing to work to see that we retain members and increase our membership. Our beloved Briards are becoming a rare breed. We need to ensure their many delightful qualities are carried on into the future. Health, publications, and education should be at the forefront. In our search for nominees all of this came to mind.

We have assembled a slate of members, several of which are serving presently who will lead us on a successful path forward. They have a great deal of background in our breed and their vocations to assist us in all aspects of this work.

This slate was the unanimous choice of the Committee.

President: Jim Albrecht

Vice President: Jami Groce

Recording Secretary: Ellen Pendergast

Director: Polly Currier

Director: Elise McMahan

Director: David Sullivan

We look forward to your assistance in this endeavor, and support of the Club. If you have any questions, please contact the Committee.

Best wishes, good health, and prosperity to you and your Briards,

The Nominating Committee
