God summoned a beast from the field and He said, "Behold man, created in my image. Therefore adore him. You shall protect him in the wilderness, shepherd his flocks, watch over his children, accompany him wherever he may go, even unto civilization. You shall be his ally, his slave, and his companion."

"To do these things," God said, "I endow you with these instincts uncommon to other beasts: faithfulness, devotion and understanding surpassing those of man himself. Lest it impair your loyalty, you shall be blind to the faults of man. Lest it impair your understanding, you are denied the power of words. Let no fault of language cleave an accord beyond that of man with any other beast or even man with man. Speak to your master only with your mind and through honest eyes."

"Walk by his side, sleep in his doorway, forage for him, ward off his enemies, carry his burdens, share his afflictions, love him and comfort him. An in return for this, man will fulfill your needs and wants, which shall be only food, shelter and affection."

"So be silent, and be a friend to man. Guide him through the perils along the way to the land that I have promised him. This shall be your destiny and your immortality." So spake the Lord.

And the dog heard and was content.
PRESIDENT'S MESSAGE

As you are aware, there have been some changes on the Board of the Briard Club of America. I am as surprised as you to find myself in this position but wish to assure you that I will take an active role as President.

While we are all different, with varying interests and goals, we share a common interest -- our concern for the Briard, as evidenced by our involvement in B.C.A. We will build upon our enthusiasm for our Breed and work together to move the Club forward in 1986. Your help will be needed in the months ahead.

Very best wishes for a happy Holiday Season for you and your Briards.

Phil
